Debra L. Johnson
CLERK OF THE COURT

EIGHTH JUDICIAL DISTRICT COURT
CLARK COUNTY, NEVADA

IN THE MATTER OF THE)
REASSIGNMENT OF)
MINOR GUARDIANSHIP AND)
ADULT NAME CHANGES)

Administrative Order: 18-09

WHEREAS, Rules 1.30(b) and 1.60(a) of the Rules of Practice for the Eighth Judicial District Court (“EDCR”) authorize the Chief Judge of the District Court to reassign cases as convenience or necessity requires.

WHEREAS, EDCR 1.31(b)(13) and 1.60(a) authorize the Presiding Judge of the Family Division to assign or reassign all cases pending in the Family Division.

WHEREAS, diligent judicial oversight of guardianship cases is essential to safeguard the health, welfare and property of the protected persons who come under the jurisdiction of the Court through guardianship proceedings.

WHEREAS, through Administrative Order 16-10, the assignment of adult guardianship cases has been limited to three judicial departments. This case assignment structure has resulted in increased efficiency and consistency in the adult guardianship process. Additionally, this structure allows for enhanced administrative support for the guardianship judges and staff which include trainings, supplemental staff, and caseflow evaluation.

///

1 **WHEREAS**, the three adult guardianship departments work closely with the
2 Guardianship Compliance Team, an administrative department of the District Court, to
3 ensure that after a guardianship is established, the appointed guardians meet their fiduciary
4 obligations to care for the protected person.

5 **WHEREAS**, through this assignment, the three departments have developed
6 specialized skills and departmental procedures which allow them to adjudicate guardianship
7 cases in a well-organized, efficient and reliable manner.

8 **WHEREAS**, in contrast to the case assignment scheme for adult guardianships, under
9 Administrative Order 17-13, minor guardianship cases have been assigned to each of the
10 civil domestic departments in accordance with the “one judge, one family” rule prescribed in
11 NRS 3.025(3) and EDCR 5.103.

12 **WHEREAS**, the conflict between EDCR 5.103 and the need to have minor
13 guardianship cases heard by a limited number of judicial departments can be resolved by
14 designating minor guardianship cases as the determining case for purposes of case
15 assignment. Under this structure, and subject to specific exceptions, all existing and new
16 civil domestic cases involving the same parties should follow the department assignment of
17 the minor guardianship case.

18 **WHEREAS**, EDCR 5.103 should not be interpreted as an absolute mandate that
19 every civil domestic case involving the same parties as a guardianship case be assigned to
20 the guardianship judge.

21 **WHEREAS**, the general purpose of EDCR 5.103 is to ensure that when the same
22 parties are involved in multiple cases in the Family Division, each of those cases is assigned
23 to the same judicial department. However, as previously noted, EDCR 5.103 is not absolute.
24 By its own terms, certain cases such as juvenile dependency, juvenile delinquency and adult
25 guardianships are not included in the rule.

26 ///

27

28

1 **WHEREAS**, in certain circumstances, a minor guardianship case has no legal or
2 factual weight on a civil domestic case involving the same parties. Examples of these
3 circumstances include, but are not limited to, cases where the guardianship petition has been
4 dismissed or denied, where the guardianship has been terminated, where the minor child in
5 the guardianship case has emancipated, or where the guardianship case does not involve the
6 same minor child as the civil domestic action.

7 **WHEREAS**, in the circumstances described above, EDCR 5.103 should be altered,
8 modified or suspended to allow for the minor guardianship case to remain assigned to one of
9 the guardianship judges and the civil domestic case to remain with one of the civil domestic
10 judges.

11 **WHEREAS**, in an effort to balance workloads between the guardianship judges and
12 the civil domestic judges, it is necessary to change the department assignment for certain
13 civil domestic cases, including adult name change cases.

14 **IT IS HEREBY ORDERED** that all civil domestic cases currently assigned to
15 Department M and Department S, except adult name change cases and as otherwise provide
16 below, shall be randomly reassigned to the civil domestic judges in proportion to the
17 currently establish caseloads for each department.

18 **IT IS FURTHER ORDERED** that future civil domestic cases shall not be assigned
19 to Department M or Department S unless required under the circumstances detailed below.

20 **IT IS FURTHER ORDERED** that all existing adult name change cases shall be
21 reassigned to Department M and S in equal proportion.

22 **IT IS FURTHER ORDERED** all future adult name change cases shall be assigned
23 to Department M and Department S in equal portions.

24 **IT IS FURTHER ORDERED** that, the Clerk's Office shall modify the EDCR 5.103
25 procedure to eliminate adult name change cases from consideration when making
26 department assignments for new cases.

27 ///

28

1 **IT IS FURTHER ORDERED** that the Clerk's Office shall modify the EDCR 5.103
2 procedure to designate minor guardianship cases as the determining case and ensure that all
3 new civil domestic cases which involve the same parties as an existing active guardianship
4 case are assigned to the same department where the guardianship case is assigned.

5 **IT IS FURTHER ORDERED** that all existing minor guardianship cases shall be
6 randomly reassigned to Department M and Department S in equal proportions.

7 **IT IS FURTHER ORDERED** that all future guardianship cases shall be randomly
8 assigned to either Department M or Department S in equal portions, unless the new minor
9 guardianship case involves the same parties as an existing guardianship case. In cases
10 where the new case involves the same parties as an existing case, the new case shall be
11 assigned to the same department to which the existing guardianship case is assigned.

12 **IT IS FURTHER ORDERED** that any existing and currently closed civil domestic
13 cases which involve the same parties as an existing guardianship case shall be assigned to
14 the same department to which the existing guardianship case is assigned.

15 **IT IS FURTHER ORDERED** that the open civil domestic cases listed in Exhibit A,
16 which involve the same parties as existing guardianship case, shall be assigned to the same
17 department to which the guardianship case is assigned.

18 **IT IS FURTHER ORDERED** that open civil domestic cases listed in Exhibit B,
19 which involve the same parties as an existing guardianship case, shall remain assigned to the
20 civil domestic department to which it is currently assigned.

21 **IT IS FURTHER ORDERED** for the purposes of EDCR 5.103, the cases listed in
22 Exhibit B shall be designated the determining case for any new cases involving the same
23 parties, unless the new case is for the establishment of a minor guardianship. If the new case
24 is for the establishment of a minor guardianship, the new case shall be designated the
25 determining case for all existing and new case assignments.

26 **IT IS FURTHER ORDERED** that any new civil domestic cases involving the same
27 parties as an active guardianship case shall be assigned to the same department where the
28 minor guardianship case is assigned.

1 **IT IS FURTHER ORDERED** that in circumstances where a new minor
2 guardianship case is filed and involves the same parties as an existing civil domestic case,
3 the minor guardianship case shall be assigned to Department M or Department S, and the
4 existing civil domestic case(s) shall be reassigned from the civil domestic department to the
5 same department as the new minor guardianship case.

6 **IT IS FURTHER ORDERED** that if a civil domestic case is assigned to Department
7 M or Department S pursuant to this Order, and the judge in either of these departments
8 believes that EDCR 5.103 should be suspended to allow for the civil domestic case to be
9 assigned to a civil domestic judge, the judge in Department M or Department S may request
10 that the Presiding Judge review the cases involved and enter an appropriate case assignment
11 order.

12 **IT IS FURTHER ORDERED** that the Presiding Judge of the Family Division is
13 authorized to make case assignment determinations deemed appropriate under the terms and
14 purpose of this Administrative Order.

15 **IT IS FURTHER ORDERED** that this Order shall be effective July 23, 2018.
